# Big Switch - 4 Lamps

The module contains of a 3-position switch and
4 lamps lighting in orange and pink

Follow the flow chart:
The question rhomb asks if the specified lamp is lit.
The corresponding action box shows to which position the
switch have to be rotated.

If all goes wrong, switch to position '0' and start from top!

Lamps:
L-Pk = Left Pink Lamp
L-Or = Left Orange Lamp
R-Pk = Right Pink Lamp
R-Or = Right Orange Lamp
Switch:
L = Left Pos. CCW
O = Middle Pos.
R = Right Pos. CW

Note: switching fast
from L->R or R->L
Don't pause on '0'
